How $829 Billion* Baucus Health Reform Bill Is Financed

- Net Cuts to Other Health Care Spending, $26.3 billion (3%)
- Excise Tax on Cadillac Plans, $201.4 billion (22%)
- Pay or Play Provisions for Employers, $23 billion (3%)
- Penalty for Uninsured Individuals, $4 billion (0%)
- Tax on Medical Devices and Other Health Care Revenue/Tax Increases, $179.1 billion (20%)
- Net Cuts to Medicare, $377.8 billion (41%)

Corporate Income Tax Increases and Other Non-Health Revenues, $100.1 billion (11%)

Tax Foundation calculations using CBO/JCT scores; pie chart components add to $910 billion, not $829 billion due to the fact that Baucus's cutting of the deficit by $81 billion must also be financed.
